

Uniform Policy

We encourage our children to take a pride in their appearance, particularly with regard to our school uniform. We think a uniform gives a child a sense of identity, helps to ensure they are on an equal footing and helps families manage the morning routine.

At Sandwich Infant School, we appreciate that uniform can be expensive. To help, some of our uniform can be purchased from your preferred retailer or from our chosen supplier, Price & Buckland. Some items purchased from & Price Buckland will have the school embroidered logo and this information is detailed in 'Our Uniform' section below. You will be able to purchase our uniform, direct from Price & Buckland via their online shop.

We also have a large selection of donated, second-hand uniform which can be purchased for a suggested donation of £1 per item from the school office (coats £5).

Jewellery is not permitted although stud earrings can be worn. (These must be removed at home before attending school on PE days).

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will support equality and diversity in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform.

2. Our school's legal duties under the Equality Act 2010

- The Equality Act 2010 prohibits discrimination against an individual based on defined protected characteristics, which include sex, race, religion or belief, and gender reassignment.
- To support equality and avoid discrimination, our school will:
 - Not list uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
 - Make sure that our uniform costs the same for all pupils.

- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow pupils to wear headscarves and other religious or cultural symbols.
- Allow for reasonable adjustments on the grounds of equality by asking pupils or their parents to get in touch with the school office, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

At Sandwich Infant School we appreciate that uniform can be expensive and so we will make sure we:

- Provide the best value for money for parents/carers
- It is available at a reasonable cost

We will do this by:

- Ensuring **all of our uniform** can be purchased from your preferred provider as well as from our chosen supplier, Price & Buckland.
- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost or long-lasting item
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy, considering all feedback and responding to all complaints about the policy

Families who are eligible for extra assistance through pupil premium, can receive the following items free of charge from school; 2 sweat shirts, one PE T-Shirt, book bag and water bottle (once a year).

Expectations for our school community

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days)

while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply. If compliance does not improve this will be followed up with the head of School.

Ongoing breaches of our uniform policy will be dealt with by following our sanctions set out in our Behaviour Policy.

Please inform us if there is any financial hardship causing non-compliance. In cases where it is reported or suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a considerate approach to supporting the family to resolve the situation.

Governors

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

Monitoring arrangements

This policy will be reviewed every year by Joanna Russell, Assistant Headteacher. At every review, it will be approved by the full governing body.
